QLS-4100 Xe

- Rugged Thermal Transfer Color Label Printer
- Print Labels 2"– 5.1" Wide

Industrial Quality Thermal Transfer Label Printer with Proven Reliability

This rugged 300-dpi thermal transfer digital color label printer is suitable for office or factory environments, printing in four color process mode and spot color mode.

Both barcode label printer and near photo-quality label printer, the QLS-4100 Xe carries the best aspects of each. The QLS-4100 Xe label printer is chosen by businesses with software integration requirements and the need to rapidly print color labels with variable information on each label.

Print labels with barcodes, color codes, logos, graphics, product description text, serializing text (such as expiration dates and best-by dates) and prompted fields.

- Print speed up to 7 inches per second (35 ft per minute)
- Good print resolution up to 300 dpi
- Thermal transfer, short runs of safety & hazard labels and small signs
- Print all content in one pass including graphics, product tracking, date, barcodes and compliance label information

QLS-4100 Xe Specifications
